If that sound like what you do, then it's time to get some KNOWLEDGE and CHANGE for the BETTER. Springfield's best PGA Professionals are ready to help! They have designed lesson plans to fit your needs and budget. You would have to travel a long way and spend a great deal more for this type of instruction. Louie's Loopers

Reid Park Junior Golf

Welcome to the "Game of a Lifetime"

Louie's Loopers junior golf program continues the legacy started by Louis P. Reid and family. Louis Reid donated his farm to the city and citizens of Springfield and Clark County. Reid Memorial Park Golf Course was opened on his land in 1967. Through the years Junior Golf has been the driving force in making golf a rich tradition throughout Springfield and the surrounding area.

Louie's Loopers will plant the seeds, with the intention of rekindling and nurturing the spirit that introduced generations of juniors to the "Game of a Lifetime"! It will be under the direction of Reid Park's PGA Professional Staff, many of which are products of Junior Golf at Reid Park.

Louie's Loopers Mission ;

To impact the lives of young people by providing educational programs to build character; instill life-enhancing values and promote healthy choices through the game of golf.

Similar to the National PGA's First Tee Program, the Loopers will focus on the NINE CORE VALUES which connect positively with the Game of Golf.
